

Loadout Information & Times

Please specify at checkout with the clerks what time you intend to pick up your cattle.

(Even if you spoke with someone from YFF in the sale lots, out back, or prior to the sale 😊)

FEMALES PURCHASED FRIDAY

Females can be loaded at the conclusion of the sale or at the conclusion of the sale on Saturday. We will also load females prior to 7:30 am on Saturday if it is a necessity and **IF** you arrange for this on Friday, following the sale. We will be busy sorting and penning bulls and will need to get those cattle out ahead of time.

SATURDAY

Females and bulls can be loaded at the conclusion of the sale on Saturday. No loadout prior, except for those needing to load females before 7:30 am.

SUNDAY

Cattle can be loaded out on Sunday, prior to 10 a.m. and after 1:30 pm. You must specify an approximate time so we will have your cattle ready to go.

Cattle can be loaded anytime thereafter with 24 hours' notice. Please give clerks an estimated date of pickup. Please do not show up without notifying us ahead of time.
